Dear Mr. Weisberg:

Thank you for a most interesting letter. Here are my answers:

- (1) I want three or four of your wild geese at \$25, as soon as possible.
- (2) I promise you to make no commercial use of them.
- (3) There are dozens of wild mallard on our farm, and some of them raise families on our stream. So I guess the conditions may be favorable.
- (4) How do I go about satisfying the Fish and Wildlife Service and Pennsylvania? (I am on a committee of the World Wildlife Fund.)
- (5) I would also like to get a few Mandarin and/or Wood duck. Can you locate some for me?
- (6) I expect to be driving from Washington to my farm in Lancaster County, Pa., on April 20th or May 1st. Could I come by and collect the birds? How do I find your place?

Yours sincerely,

Mr. Harold Weisberg
